

FOR IMMEDIATE RELEASE

2020 Jurassic Classic Fundraiser Cancelled due to COVID-19 Pandemic

Abbotsford British Columbia - May 27 2020.

The Jurassic Classic organizing committee is disappointed to announce that the 2020 Wild Sheep Jurassic Classic Fundraiser is cancelled due to challenges arising around the COVID-19 Pandemic. Despite every reasonable effort, due to restrictions relating to the pandemic, achieving a regulation compliant and successful event for 2020 is not feasible.

" We are deeply disappointed in having to forfeit the 2020 Jurassic Classic." says Trevor Carruthers, Jurassic Classic Fundraiser Lead. "However, with current restrictions and social distancing constraints, our ability to host the quality of event our guests have come to expect, was severely compromised. We envision an even stronger event in 2021 than we have ever offered."

All guests scheduled for the 2020 event will have their team moved to 2021 which will be hosted August 20-22, 2021. Any participants that have concerns regarding the change are encouraged to contact jurassic.classic.bc@gmail.com for further assistance.

Our partner and host Great River Fishing Adventures is still able to offer a guided fishing opportunity for anyone wishing to experience the thrill of white sturgeon catch and release fishing on the Fraser River this summer. Interested parties are encouraged to contact their booking team at info@greatriverfishing.com.

The Jurassic Classic team wishes to thank our ardent supporters that have made this event a resounding success. Thank you to our enthusiastic participants, hardworking volunteers and the incredible contributions of our donors and supporters. We would be remiss if we did not acknowledge the commitment of the Wild Sheep Foundation and their Chapters and Affiliates and all supporting sportsman's groups that make the Jurassic Classic an experience of a lifetime.
